Section 7 — Highlights of Previous Proceedings

(Refer to Chapter 8, Section 8.3.7)

> **Purpose:** Brief the MP on what has already happened so they do not repeat settled questions or miss live issues.
>
> **What to include:** Key issues raised in prior committee hearings and who raised them; committee amendments already adopted; unresolved issues flagged for plenary.
>
> **Sources:** Committee hearing minutes from the Parliament Secretariat; Committee Report (if issued); session journals.

Proceeding	Date	Key Issues Raised	Outcome
Committee Hearing			
Committee Hearing (2nd)			
Plenary (if applicable)			

Committee Amendments Made:

Unresolved Issues:

Section 8 — Interpellation Questions

(Refer to Chapter 8, Section 8.4)

> **Purpose:** Prepare the MP for interpellation with structured question sequences that expose weaknesses and build the case for amendments.
>
> **What to include:** 3-7 interpellation sequences using the six-part structure (context, question, anticipated answer, manifestation if satisfactory, manifestation if evasive, proposed amendment with justification); questions ranked by importance — most critical first.
>
> **Sources:** The bill as amended by committee; Committee Report; BOL provisions on legislative authority; BEP data for budget questions; agency consultations for implementation questions.

Prepare three to seven interpellation sequences. Each follows the six-part structure. Arrange in order of importance — most critical questions first.

(Add additional question sequences as needed. Prepare up to seven for complex bills.)

Section 9 — Summary of Proposed Amendments

(Refer to Chapter 8, Section 8.5)

> **Purpose:** Give the MP a ready-to-file table of amendments prioritized by importance.
>
> **What to include:** Each amendment in standard floor format (insertion, deletion, or substitution); current text, proposed new text, and a one-paragraph justification; priority ranking (High / Medium / Low) so the MP knows which to propose first if time is limited.
>
> **Sources:** Issues identified in Sections 2-6 of this briefer; the committee-amended bill text; BOL and existing BAAs for legal consistency checks.

No.	Section	Current Text	Proposed Amendment	Justification	Priority
1					☐ High ☐ Medium ☐ Low
2					☐ High ☐ Medium ☐ Low
3					☐ High ☐ Medium ☐ Low
4					☐ High ☐ Medium ☐ Low
5					☐ High ☐ Medium ☐ Low

Section 10 — MP's Position — Brief Speech / Manifestation

(Refer to Chapter 8, Section 8.6.1)

> **Purpose:** Draft a 2-4 minute floor speech stating the MP's position, grounded in the analysis.
>
> **What to include:** A recommended position (Support / Support with Amendments / Oppose / Reserve Position); a speech opening with the position, presenting 2-3 key points with specific section references, and closing with the intended vote.
>
> **Sources:** Analysis from Sections 2-6; the MP's legislative agenda for alignment framing; BDP goals for policy grounding.

Recommended Position: ☐ Support ☐ Support with Amendments ☐ Oppose ☐ Reserve Position

Draft Speech (2-4 minutes):

Section 11 — 1-Minute Vote Manifestation

(Refer to Chapter 8, Section 8.6.2)

> **Purpose:** Prepare a short statement the MP can deliver when they want their vote recorded without a full speech.
>
> **What to include:** A 3-5 sentence draft stating the position, the reason, and the vote; a specific reference to a BOL provision, BDP goal, or fiscal fact that anchors the statement.
>
> **Sources:** The recommended position from Section 10; BOL provisions relevant to the bill.

Draft (3-5 sentences):

Section 12 — Matters for Information of the MP

(Refer to Chapter 8, Section 8.7)

> **Purpose:** Give the MP context that does not fit in the formal analysis but could affect how they engage during proceedings.
>
> **What to include:** Stakeholder positions (CSOs, business groups, LGU leagues); media coverage and Chief Minister statements; pending court cases and constituency feedback; comparative legislation from Congress or other LGUs; timing or procedural considerations.
>
> **Sources:** BARMM news outlets and social media; BTA Parliament website for parallel bills; Supreme Court e-Library; constituency liaison reports.
